Dynamic Duos: The Power of Two

Make a difference. Become a **Mentor**.

According to the National Mentoring Partnership, mentored young people are:

- **46%** less likely to get into drugs;
- **59%** more likely to get better grades;
- **73%** more likely to achieve their goals.

Dynamic Duos is a site-based mentoring program focused on serving youth ages 10-18 years of age who are receiving foster care, services in their own homes, or family reunification services through Jewish Family and Children's Service (JFCS) of Greater Philadelphia.
