

# WHY IS MY CHILD BEHAVING THAT WAY?

## Expert Discussion on the Impact of Traumatic Early Experiences on Children's Brain Development

The discussion will focus on how traumatic experiences influence children's behavior in school, out of school, and their health as adults as well as some healthy ways to respond and support your kids.

\*\*Program not appropriate for children younger than 10\*\*

**Friday, April 20, 2012, 6-8 PM at
